

F260 Bible Reading Plan

F260 is a 260 day Bible reading plan that highlights the Foundational passages of Scripture that every believer should know. Each week is accompanied by two memory verses to remember. Try using the SOAP method for understanding and applying the Scripture to your life.

S *Scripture:* Read today's passage. Take your time, and allow God to speak to you.

O *Observation:* What is God saying to you? Ask the Holy Spirit to teach you and reveal His will for you. Paraphrase and write this scripture in your journal, in your own words.

A *Application:* How does the passage apply to your life right now? Perhaps it is instruction, encouragement, revelation of a new promise, or correction. Write how it applies to you today.

P *Prayer:* Ask God to help you apply this scripture, or ask for greater insight on what He may be revealing to you. Remember, prayer is a two-way conversation, so be sure to listen to what God has to say! Now, write it out.
